and families in HIS name since 1969.*

Volunteer Opportunities

Volunteer Programs

Cottage Volunteers -

Work in the cottage with the teaching parents and other child care staff providing services for the children. Help with the day to day operations. Help with homework, special projects, outings and more. A cottage volunteer works on a level program. As the volunteer has more training time and time in the cottage, they advance in level and responsibility.

Volunteer Service Provider -

Work in a support role to accomplish some of the day to day maintenance, building repair, office tasks, grounds maintenance, etc. that need to be accomplished. VSP's are an integral part of the operation of CCHO.

Special Projects/ events-

This program is designed for the individual that has a passion to help with special projects and events. They assist with the operation of Poplar Ridge Adventures, Poplar Ridge Stables and the Paintball courses.

This volunteer program is also for those that want to help as an individual with events such as Fall Fest, annual concert, outdoor education, campus ministry, etc.

Volunteer Workgroups-

Provide services that are not normally provided by CCHO staff.

Workgroups help with projects such as landscaping, grounds cleanup, building repair, painting and general repair and cleaning.

There are also opportunities for Volunteer workgroups to host group activities and meals with our campus residents, hold bible studies and assist with worship services.

Adopt—a -cottage -

A-a-C groups, consists of Sunday School classes or Small groups that have a desire to minister to the children in our Residential Cottages. They are assigned to a cottage and help with maintenance projects, group activities, notes of encouragement, cottage birthday and holiday parties and the list goes on. This program offers opportunities to minister with CCHO residents in a supervised, group setting.
